VALUE AND VERSATILITY, COMBINED

The H5SL camera is a versatile and cost-effective security solution that is backed by an industry-leading warranty. With value and simplicity at the heart of this camera line, you will enjoy the ease of installation, flexible design features and various lens options the H5SL offers.

H5SL BULLET

UMD TECHNOLOGY

Uses AI to continuously learn what typical activity in a scene looks like and then detect and flag unusual motion events for review

AUDIO & RELAY I/O CONNECTIONS

Incorporate audio and configure input/output actions and alarms for fast event response

H.265 & HDSM SMARTCODEC™ TECHNOLOGY

Combines compression technologies to maximize bandwidth and storage

CONTENT ADAPTIVE IR

Adjusts IR beam width and illumination settings based on scene conditions to help maximize image quality

MULTIPLE LENS OPTIONS

Choose from various lens types, including a new long zoom lens for challenging scene designs

ONVIF COMPLIANT

Native ONVIF® Profile S and Profile T compliance allows easy integration with existing ONVIF infrastructures

5-YEAR WARRANTY

Avigilon stands behind the quality of this product with a 5-year industry-leading warranty

MADE IN AMERICA

Built with North American expertise and globally-sourced materials

WIDE DYNAMIC RANGE

Capture details in scenes with both very bright and very dark areas

LIGHTCATCHER™ TECHNOLOGY

Exceptional detail in low-light settings
